

EXAMPLE WORDING FOR 50P LEVY TO GUNS

Roxtons example wording:

As you will see from the attached invoices, we have included a **voluntary** 50 pence per bird levy for the recently launched British Game Alliance. This is a **not-for-profit organisation** that exists to promote, assure and develop feathered game, expanding its market at home and overseas thus growing its value. It has also initiated the '**British Game**' Assurance Scheme, which is similar to the Red Tractor scheme for other farming sectors. It has the backing of every major shooting organisation and strong support in Parliament.

We are encouraging all of our shoots to join and to adhere to a set of **Shoot Standards**, which will be regulated by a third-party company to ensure our sport continues to raise and maintain standards of **best practice**, a very necessary step for the shooting community. This will give consumers and retailers confidence in the provenance of our produce and make sure all of our shot game is properly utilised.

We are delighted to be a member of the BGA and part of our role is to encourage guns to contribute a **voluntary** 50p per bird donation to the cause.

We have clearly shown this on your invoices and would be grateful if the account, when settled, includes this amount. We will then collect funds and pass them on directly to the British Game Alliance. If you are already supporting this or other initiatives then please deduct the amount shown from your payment thus only paying the balance for your shooting.

Should you have any questions regarding this please do get in touch, or visit www.britishgamealliance.co.uk for further details.

Dalesport example wording:

Please note the following changes for Invoicing in 2019:

Dalesport Sporting Agency LLP have joined The British Game Alliance. On each invoice for your shooting next season we will be adding a voluntary 50p donation per bird which will be given to the British Game Alliance to help them protect the future of driven game shooting.

For those who don't know about The British Game Alliance is a not for profit organisation that has been backed nationwide by all the Shooting Organisations and has brought together the entire Industry, Shoots, Agents and Game Dealers to create an Industry Food Standards for shot Game.

They also spend our kindly donated money on sourcing new markets for shot game and running marketing campaigns here in the UK to raise awareness about eating wild Game as an alternative, sustainable and healthy meat source.
