

Justification for the Use of Highest Priority Critically Important Antibiotics

Highest Priority Critically Important Antibiotics must only be used as a last resort under veterinary direction, backed up by either sensitivity or diagnostic testing. Details and justification for each use must be recorded on the BGA CIA use template together with the results of sensitivity or diagnostic testing.

Identification & location of birds treated:	
Diagnosed condition:	
Which, if any, diagnostic tests have been used:	
Product prescribed / batch number:	
Has culture and sensitivity testing been carried out in the decision to use HP-CIA:*	
Culture & sensitivity test result:	

*attach relevant laboratory reports
